

Leipzig, 2024-01-18

Dear Council Members,

With this information, I would like to say Good-Bye as Executive Secretary of the FESN, a role I have had the honor to hold during the last two years. I loved the international communication and activities. I will stay in touch as I am the organizer of the next FESN conference 2025 in Leipzig. Looking forward to seeing you there. Best wishes – Angelika Thoene-Otto

## FESN Talks 2024

Feb 7th 2024 6:30h p.m. CET Zoom account will be announced on the website	Michael Kopelman	Retrograde Amnesia in Alzheimer's Disease
May / June 2024	Martine van Zandvoort	How funny that you ask this question!" - How experimental psychology and theoretical models can help to improve clinical decisions
Nov 19 <sup>th</sup> 2024	Maria Ganou	Neuropsychological testing in children. Clinical implementation in the private sector in Greece" (organized by the Student Liaison Committee).

### Scientific School - Deadline for application Jan 31st 2024.

The next **scientific school** organized by FESN will take place **July 22nd-25th 2024**, University of Lisbon, Portugal. Local Organizer will be Pedro Alves. The School is addressed to graduate students of FESN National Societies in their final years of PhD, early post-docs as well as clinicians at a comparable level of career. It will be organized to stimulate the scientific work and to encourage the international communication. About 50 participants are invited from all partaking national societies for three days of scientific exchange enclosed in a social program. The letter of application and the curriculum vitae (in English) from the candidate has to be supported by the national society. Not more than three candidates will be submitted from one country. Check our website for application <https://www.fesn.eu/7th-fesn-scientific-school-2024/>. FESN encourages national societies to provide one or two bursaries for students who cannot claim costs at their own institution. Costs for the students will be 180€ including lunch and coffee breaks. Deadline for application is January 31<sup>st</sup> 2024. **Please spread this information and invite the students of your society to apply.**

### Global Neuropsychology Congress: Deadline for abstract submission is 5 Feb 2024.

FESN is going to be one of the organizing Societies of the Global Neuropsychology Congress on **July 3rd-5th 2024** in Porto, Portugal. The GCN welcomes the submission of abstracts for posters or symposia. **Please share this information with your community via email or social media and help us to make this event a great success.** The deadline for abstract submission is February 5<sup>th</sup> 2024. It will be a great pleasure to meet you there.

### Topical Groups – Kick-off Meeting March 6th, 2024, 6:00h p.m.

FESN wants to bring their members together. Therefore, we are going to launch topical groups for interested clinicians and researchers. Do you have a topic in mind, for which you are looking for colleagues to discuss? Would you like to have a European research team to apply for EU-Funding? Are there procedures in your country, which you would like to harmonize with other European countries? Let us know at [ExecutiveSecretary@fesn.eu](mailto:ExecutiveSecretary@fesn.eu) or come to our topical groups kick-off zoom-conference at March 6<sup>th</sup> 2024, 6:00 p.m. (CET). **Please spread the information in your societies.**

### Next Council Meeting

Our next Council Meeting will be held online on October 11<sup>th</sup>2024. Please save the date.  
Further information will follow.
